Commissioners Report 2017

The Rye Beach Village District annual meeting will be on Tuesday, April 10, 2018, at the Precinct Building at **7:00pm**. We encourage all residents to attend. Your participation and input are important.

Although this is the Commissioners' report for 2017, it is being written in March of 2018. This year it is too difficult to confine the report to 2017. The RBVD lost one its finest residents, John Clifford, on February 17th. John lived in Rye Beach virtually his entire life and had a deep affection for the community and its environs. He served the Rye Beach Village District over thirty years; as a Commissioner, a member of the Board of Adjustment and a member of the Planning Board.

Always thoughtful, measured, articulate and honest, John's experience and wisdom will be missed.

Before returning to 2017, two more items. Our shoreline took several poundings these past weeks and there has been significant damage to the sidewalk and sea wall along Ocean Boulevard from Rye Ledge to Rye on the Rocks, as well as the stretch between the Beach Club and South Road, and our public access boardwalk beside the Beach Club. We are working with the Town to see if any FEMA resources may be forthcoming and, to otherwise, develop a plan of repairs.

Lastly, we are bringing the District's bookkeeping into the computer age. After over 100 years of paper and pencil record keeping, the last 20 serviceably provided by Treasurer, Tyson Dines, we are having discussions with a QuickBooks based bookkeeper. More details at the Annual Meeting.

Now, back to 2017.

There was significant street tree damage during 2017, especially on Sea Road. This prompted the Commissioners to finally commence a street tree replacement program. Based on the strong recommendation of Stratham Circle Nursery, Red Maples were selected. They are "fast" growing, develop nice canopies and turn an attractive red/orange in the fall. Six good sized (2-3" caliper) Red Maple trees were planted at various locations; one on Central (south) at #910, one on Central (north) opposite #840, one on South (west) at #221, one on Sea at #22 and two on South (east) at #5 and #15. One tree was a public private

collaboration; privately bought, publicly planted. Rule of thumb for tree growth: year one “sleep”, year two “creep”, year three “leap”. Adequate watering is essential for first couple of years. The proposed budget for this year provides funds for stump grinding as well as additional plantings.

Two hundred and fifty-four feet of sidewalk was replaced in 2017: South Road (west) 91’ at #221 and 60’ along Abenaqui, 15’ across the driveway at #799 Central and 88’ at #804 Central. Sprinkler systems in the right-of-way may be damaged when replacing sidewalk or planting trees. And be sure your sprinklers do not spray over the sidewalk. Please share any sidewalk concerns with Commissioner Linda Sheppard (she coordinates RBVD sidewalk work; 964-8456 or daniel655@aol.com).

Ground cover and hedges must not encroach into or onto the sidewalk. While the Commissioners would prefer that each property trim back (and maintain) encroaching vegetation on their own, the District will be actively maintaining clear passage. Also, please do not allow your landscape and other services to park on the sidewalk. It forces pedestrians to walk in the street and can damage the sidewalk.

The Town replaced and enlarged the east culverts on Red Mill Lane. Fortunately, the guard rail specs were changed from highway steel to pressure treated timbers, even though it added cost. The Town installed pedestrian rails to the guard rails and, after some seasoning, they will be painted white.

In September the Commissioners were presented with a petition, signed by all abutting property owners, to install “lollipop” street lights on Laurence Lane, Willowbrook Avenue and Maple Drive. These are the only streets in Rye Beach without these signature street lights. The Commissioners have placed a warrant article to this purpose on the RBVD Warrant. To vote, you must be present at the Annual Meeting and a registered voter. If you see that a street light is out or damaged, please call or email Linda (964-8456, daniel655@aol.com). Please do not remove the yellow ribbon around a pole as that identifies the pole for our electrician.

Your Zoning Administrator issued 25 Zoning Permits this year, the same as last year. All construction, renovation, hardscape (patios,

stonewalls, fences) and improvements require Zoning Permits. Please be sure you or your contractor obtains a permit from Frank Drake (603-380-5403, duckhouse5@comcast.net), acting zoning administrator.

The Town of Rye website provides links to several RBVD documents and ordinances:

http://www.town.rye.nh.us/Pages/RyeNH_Building/RBVD.PDF/

Thanks to all members and alternates serving on the Planning Board and Zoning Board of Adjustment. Your involvement is much needed and appreciated. Please reach out if you are interested in volunteering for a board. There is always a need.

Perhaps you noticed that the front gardens at the Precinct Building were made over in the spring. With suggestions from Ann Malpass, hybrid Holly bushes were planted in the two small stair gardens and five Spreading Taxus Yews in the center garden. Simple and attractive. It is an annual custom to thank the Rye Driftwood Garden Club (aka, Ann Malpass) for planting and caring for the Precinct Building flower box and to thank the Little Boars Head/Rye Beach Garden Club (aka, Ann Malpass, Barbara Dunfee, Debbie Toohey and Kim Gardner) for planting and caring for the circular Sea Road garden.

Join us for discussion and voting at your Annual Meeting on Tuesday, April 10, 2018, at **7:00pm** at the Precinct Building.

Respectfully submitted,

Frank A. Drake
Commissioner

District Warrant

State of New Hampshire

To the inhabitants of Rye Beach Village District, a Village District in the Town of Rye, organized under the provisions of Chapter 195, Sessions Law of 1905, amended in 1937 and 1943, qualified to vote in District affairs:

You are hereby notified that the annual meeting of the Rye Beach District will be held at the Precinct Building in said District on Tuesday, the 10th of April 2018, at **seven o'clock (7:00) in the evening**, to act upon the following matters:

Rye Beach Village District Board of Adjustment For year ending December 31, 2017

1. January 19, 2017:

The Board met on Thursday, January 19, 2017, at 7:00 p.m. at the RBVD Office, 830 Central Road, Rye Beach, NH to review, and vote upon, the settlement agreement and site plan for the case of Sea Acres Realty Trust, Graham Bunce, Trustee, 338 High Street, Hampton, NH 03842, for property located at 80 Causeway Road, Rye Beach, NH, tax map 002/080, to construct a single family home, septic system, driveway, retaining walls and associated site improvements.

Variances requested per settlement:

Section 4.4.2- 26 ft. front yard where 40 ft. is required.

Section 4.4.2- 20 ft. side yard where 25 ft. is required.

Section 8.3.4.A.1-To allow the home to be located 60.9 ft. from the wetland where 100 ft. is required.

Section 8.3.4.B.1-To allow surface alteration in the tidal buffer to permit construction of the home and related improvements.

Section 8.3.4.B.5(B)2-To allow removal of 19 trees greater than 4.5 inches in diameter in the tidal buffer.

Settlement agreement and conditions were accepted by a vote of 3-1

2. June 5, 2017:

The Board met to hear the petition of the Mario Ponti Trust, P.O. Box 277, Rye Beach, NH 03871, for property located at 195 South Road, Rye Beach, NH, tax map 001/039; requesting variances to add a 6' x 18', one story side addition onto the existing garage which will have an approximate 15' side setback where 25' is required [4.2]. And to add a

2'x17' overhang across the front of the existing garage. Both additions require relief from Article 5.1.3, no expansion of nonconforming building as the home does not meet the 40' front setback, although the garage does. 4.2 Table of Dimensional Requirements and 5.1.3 Increases (no non-conforming structure can be enlarged or extended).

Requests for the variances related to the 2'x17' overhang for the garage were granted 5-0

The remaining requests for the garage addition was tabled.

3. June 26, 2017:

A. The Board met to hear the petition of George and Karen Sophinos, 44 Causeway Road, Rye Beach, NH 03871 for property located at 44 Causeway Road, Rye Beach, NH, tax map 002/078, requesting variances to:

- > Article 5.1.3 (Enlargement of a Non Conforming Structure)
- > Dimensional Table 4.2 (front yard and left side yard setbacks)
- > Dimensional Table 4.2 (minimum open space)
- > Articles 8.3.4.B.1 and 8.3.4.B.8 (Tidal Buffer Alteration)

to permit the removal and replacement of existing front and rear steps and the construction of an open, covered front porch and a permeable rear patio.

Requests for variances were granted 5-0

B. The Board voted to re-open the tabled matter for garage addition for Mario Ponte Trust. The applicant changed the construction plans so it no longer required relief.

A motion to withdraw the related relief was granted 5-0

4. July 17, 2017:

The Board met to hear the petition of Jamie and Amy Green, 291 South Road, Rye Beach, NH 03871, for property located at 291 South Road, Rye Beach, NH, tax map 04/54, requesting a variance to Article 5.1.3., page 12, to allow the addition of three conforming, second floor dormers to an existing non-conforming home (right rear corner intrudes 5' into side setback).

Requests for variances were granted 5-0

5. August 28, 2017, September 20, 2017, October 3, 2017:

A. The Board met to hear the petition of Michael and Elizabeth Garceau, 8 White Horse Drive, Rye, NH for property located at 5 Sea Road, Rye Beach, NH, tax map 02/19, requesting variances to the Wetlands Buffer (8.3.4), specifically:

> Article 8.3.4.B.1 - "Surface alteration by the addition of fill, excavation or dredging is prohibited."

> Article 8.3.4.B.8 - "All other uses are prohibited."

Variances required to permit the replacement of the existing attached and detached garages with a single new two story attached garage with mudroom and second story Accessory Dwelling Unit, construction of a pervious patio, relocation of the existing propane tanks and generator and extension of the existing driveway, all within the 100' Wetland Buffer.

August 28, 2017: Continued to allow for input from Rye Conservation Commission

September 20, 2017: Continued to allow more time for RCC and to obtain an independent environmental impact assessment.

October 3, 2017: Requests for variances were granted 5-0

B. The Board met to hear the petition of Michael and Elizabeth Garceau, 8 White Horse Drive, Rye, NH for property located at 5 Sea Road, Rye Beach, NH, tax map 02/19, requesting a Special Exception under subsection 3.7 Accessory Dwelling Unit. The applicant must satisfy all the requirements under Articles 3.7.1 and 3.7.2 to be granted the special exception.

August 28, 2017: Continued related to the related variance matter.

September 20, 2017: Continued related to the related variance matter.

October 3, 2017: Requests for the Special Exception was granted 5-0

The Board meets, as requested, to hear applications for relief. Please contact Rye Beach Village Zoning Administrator for deadlines for timely submission of applications and supporting materials.

The Board welcomes volunteers, Rye Beach Residents, for Alternate positions. Please contact Shawn Crapo at shawncrapo@yahoo.com.

Respectfully submitted, Shawn Crapo, Chair

**Report of the Rye Beach Village District
Planning Board
FOR YEAR ENDING 31 DECEMBER 2017**

During the past year there was no formal business to come before the Planning Board. However, we thank Jerry Gittlein, Larry Knowlton, Scott McQuade and Al Arcidi for their willingness to serve as Planning Board members.

With heavy hearts we would like to remind the community of John Clifford's service throughout the years. He always kept the best interests of Rye Beach as a priority. His wise and thoughtful advice was a benefit to us all.

Respectfully submitted,
Bill Schleyer, Chair

Minutes of the Rye Beach Precinct Meeting April 11, 2017

The Rye Beach Precinct meeting was called to order at 7:35pm on Tuesday, April 11, 2017 by Moderator Al Casassa. The meeting was opened with *The Pledge of Allegiance*, recited by all those in attendance.

Article 1: Al Casassa was nominated as our Moderator for the ensuing year by Ned Tate and seconded by Diane Bitter. He was elected by a majority vote.

Article 2: Joan Gittlein was nominated as District Clerk for the ensuing year by Diane Bitter and seconded by Scott McQuade. She was elected by a majority vote.

Article 3: Frank Drake was nominated as Commissioner for a three-year term by Mike Coutu and seconded by Shawn Crapo. He was elected by a majority vote.

Tyson Dines was nominated as Treasurer for the ensuing year by Frank Drake and seconded by Scott McQuade. He was elected by a majority vote.

Scott McQuade was nominated as Auditor for the ensuing year by Mike Coutu and seconded by Diane Bitter. He was elected by a majority vote.

Article 4: Moderator Casassa asked Frank Drake to present Article 4. Frank Drake suggested that all in attendance read the three proposed zoning amendments to the Rye Beach Village District Zoning Ordinance in Article 4, if they hadn't beforehand. After all present were cleared on the voter checklist by Shawn Crapo, Mr. Crapo issued a paper yes/no ballot for each of the amendments to the 14 registered voters present. The polls were opened and all voters present cast their ballots. Once all voted the polls were closed and the ballots counted by Registrar Shawn Crapo. All three Articles were approved unanimously by the 14 voters present. Moderator Casassa declared Article 4 passes 14 to 0.

- Article 5:** Motion was made by Mike Coutu and seconded by Frank Drake to dispense with the reading of the reports written by the Treasure, Auditor, and Committees or Officers heretofore chosen. Motion was passed by a majority vote.
- Article 6:** After much discussion on Budget line item 4319, "Tree Care", Frank Drake Motioned and John Clifford seconded, to increase that line item to \$5,000.00 (from \$1,500.00). Motion was passed by a majority vote.
- Ned Tate motioned and Mike Coutu seconded, to adopt the new proposed budget of \$133,350.00 for general district operations. This article does not include appropriations in any other articles. Moderator Casassa called for the vote and declared Article 6 adopted by majority vote.
- Article 7:** To authorize the District Officers to raise money by district note in anticipation of taxes. Motion was made by Jerry Gittlein, seconded by Diane Bitter, and unanimously passed.
- Article 8:** To see if the District would vote to authorize the Commissioners to apply for, receive and expend Federal and State grants which may become available during the course of the year, in accordance with RSA 31:95-b, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the District may legally appropriate money. Motion was so moved by Jerry Gittlein and seconded by Diane Bitter, and passed by unanimous vote.
- Article 9:** There being no new business, Al Casassa, after duly made motion and second, adjourned the meeting at 8:15pm.

Respectfully submitted,

Joan Gittlein

Notes

Notes

1. Introduction

2. Methodology

The purpose of this study was to investigate the relationship between the use of social media and the level of civic engagement. The study was conducted using a survey of 1,000 adults aged 18 and over. The survey included questions about the frequency of social media use, the types of social media used, and the level of civic engagement.

3. Data Collection and Analysis

The data was collected using a random sampling method. The survey was conducted online and the data was analyzed using statistical software. The results of the analysis showed that there was a positive correlation between the use of social media and the level of civic engagement.

4. Results and Discussion

The results of the study showed that individuals who used social media more frequently were more likely to engage in civic activities. This finding is consistent with previous research that has shown that social media can be a powerful tool for mobilizing citizens and promoting civic participation.

5. Conclusion

In conclusion, the study found that the use of social media is associated with higher levels of civic engagement. This suggests that social media can play a significant role in promoting civic participation and strengthening democratic societies. Further research is needed to explore the mechanisms through which social media influences civic engagement and to identify ways to maximize its positive impact.
